History

A nation that does not know its own history is not worthy of the future.

Politics

In politics, as in religion, by convincing others, we convince ourselves.

Philosophy

-... And the only prospect for an advanced guy in this country is to work as a clown for faggots. - I think there are other options. - There is. Whoever doesn't want to work as a clown for faggots will work as a faggot for clowns. For the same small price.
